SUBJECT: Increased Intelligence Effort with  
Respect to Communist China

1. As a result of recent surveys and estimates, ORR and ONE have called attention to the extent of our ignorance with respect to Communist China particularly in the economic field. OIC has been asked to collect the comments and suggestions of the various offices for an intensified effort in this area. These should include both what you are planning to do in your own field of responsibility and any other ideas you may have.

2. Suggestions to date include:

a. Intensified language training program which OTR is developing;
